

# Driving Directions to **DELTA VELOCITY**

105 E. Cornwell Lane, Purcellville, VA 20131  
Phone: 540-338-4103

## **From the East and Washington DC:**

Take Dulles Toll Road/Route 267 West. Stay on the Local Traffic (Toll) side - do not get on the Airport Access part of the road. After passing through the main toll plaza past Route 28, continue on the Toll Road/Greenway to Leesburg. Continue with Dulles Airport directions.

## **From Dulles Airport:**

Take the Airport Exit to the Toll Road/Greenway exit towards Leesburg. At the end of the Toll Road (about 13 miles) take the left exit to Route 7 West. Upon merging onto Route 7 from the ramp, immediately move to the center lane, as the right lane quickly becomes an exit. Take Rt. 7 West approx 10 miles to Rt. 287/Purcellville exit. At bottom of ramp, turn left at stoplight onto Rt. 287 South. Pass under Rt. 7 and take first right at stoplight onto Hirst Rd. At the first stop sign (approx one mile) turn left onto N. Hatcher Ave. Approximately 1/4 mile on N. Hatcher, take the first right onto E. Cornwell Lane (look for Blue Ridge Veterinary and Purcellville Dialysis on the corner) . The Delta Velocity building is at 105 E. Cornwell Lane, to the left of cul-du-sac. The street number is on the side entrance door of the building. Main entrance is on the left end of the building.

## **From the South:**

Take Route 15 north to Leesburg. As you enter Leesburg you'll cross under the Route 7 Bypass. Turn left onto the Bypass headed west. Take Rt. 7 west approx 10 miles to Rt. 287/Purcellville exit. At bottom of ramp, turn left at stoplight onto Rt. 287 South. Pass under Rt. 7 and take first right at stoplight onto Hirst Rd. At the first stop sign (approx one mile) turn left onto N. Hatcher Ave. Approximately 1/4 mile on N. Hatcher, take the first right onto E. Cornwell Lane (look for Blue Ridge Veterinary and Purcellville Dialysis on the corner) . The Delta Velocity building is at 105 E. Cornwell Lane, to the left of cul-du-sac. The street number is on the side entrance door of the building. Main entrance is on the left end of the building.

## **From the North and BWI:**

Exit BWI on I-195 West. Merge onto Route 295/Baltimore-Washington Parkway South at Exit 2B. After approximately three miles, merge onto Route 100 West. After eight miles on Route 100, merge onto Route 29/Columbia Pike North. After three miles, turn left onto Interstate 70 westbound towards Frederick, MD. At Frederick (about 35 miles), take Exit 52 (Routes 15 South/340 West) towards Leesburg and Charles Town, WV. When Route 15 splits off (a left exit), stay on Route 340 towards Charles Town. Exit at Route 17/Brunswick, MD. At the end of the ramp, turn left onto Route 17 South. Cross over Route 340 and go halfway around the traffic circle. Note the Sheetz gas station on the right. Continue on Route 17 South.

At the first traffic light, turn right to stay on Route 17. You will pass through the old part of Brunswick. Go halfway around the second traffic circle and get on to the bridge over the railroad yard and the Potomac River towards Virginia. Once across the river the road becomes Route 287/Berlin Turnpike. Pass through Lovettsville (note 7-11 on the left). Approximately 8 miles later is a traffic light where Route 9 crosses Route 287. Proceed straight through this intersection and continue south on Rt. 287. A few miles later Route 287 passes under the Rt. 7 Bypass. This is the first and only bridge you will pass under while on Rt. 287. Shortly after the overpass, turn right at the traffic light onto Hirst Rd. At the first stop sign (approx one mile) turn left onto N. Hatcher Ave. Approximately 1/4 mile on N. Hatcher, take the first right onto E. Cornwell Lane (look for Blue Ridge Veterinary and Purcellville Dialysis on the corner) . The Delta Velocity building is at 105 E. Cornwell Lane, to the left of cul-du-sac. The street number is on the side entrance door of the building. Main entrance is on the left end of the building.
